Legally authorized to work in the United States

Colombian-born Creative Director based in Miami with 12+ years leading branding, packaging, editorial, advertising, marketing, and digital design for international brands. Fluent in English and Spanish, with hands-on experience across the full production process — from strategy and art direction to photography, print production, and AI-assisted creative pipelines.

EXPERIENCE

Senior Creative Director

2021 — Present

Independent Practice — Miami, FL

- Lead creative strategy, brand identity, and campaign direction for consumer and B2B clients across the U.S. and Latin America.
- Direct end-to-end production including packaging, photography, print, and digital marketing deliverables.
- Built AI-assisted creative pipelines that reduced production cost and timeline while maintaining premium brand quality.

Creative Director

2017 — 2021

International Brand Studio — Bogotá, Colombia / Miami, FL

- Directed branding, packaging, and advertising programs for regional and international consumer brands.
- Managed cross-functional teams across design, production, and photography from brief to final delivery.

Senior Designer

2013 — 2017

Advertising & Editorial Agency — Bogotá, Colombia

- Built editorial systems and advertising campaigns across print and digital for retail, food and beverage, and financial services clients.
